Foreword

I am pleased to introduce the fourth Annual Report of the Performance, Quality and Experience Committee (the Committee).

During the year the Committee continued to provide a robust and comprehensive oversight of performance, quality and customer experience across the Charity. The continued development of the performance report and the Together with Customers Action Plan were fundamentally important to improving scrutiny and putting customers at the centre of decision making.

The establishment of the Residents First Group was key to ensuring the delivery of the commitments set out in the Together with Customers Charter.

I would like to thank Committee members for their continued commitment and support. As in previous years, my special thanks go to Oona Goldsworthy, Chief Executive Officer, Sandra Payne, Director of Nursing and Care Services, and Michelle Richards, Director of Housing Services for their continued commitment and support which allowed the Committee to fulfil its remit.

Nick Hooper
